SUMMER 2026

TRAVELLING WITH PEF CHAIRMAN

in PERU...

As a representative of Europe on the Global Council of Empowered21, PEF Chairman Marek Kaminski took part in the E21 EveryOne LATAM conference which was held in Lima, Peru, on May 21–23, 2026. The landmark gathering featured major plenary sessions, worship nights, and leadership training to mobilize the church and complete the Great Commission. Empowered21, a partner of the World Pentecostal Fellowship (WPC), is a global relational network that aims to help shape the future of the Spirit-empowered movement throughout the world by focusing on crucial issues facing the movement and connecting generations for intergenerational blessings and impartation.

in ITALY...

Last June 25th, Chairman M. Kaminski, with Ps. Daniel Costanza from our office in Brussels, was in Rome, Italy, for a fraternal meeting held at the head office of the Italian Assemblies of God (ADI), hosted by President Gaetano Montante, with the participation of three other members of the ADI General Council, as well as Ps. Samuele Pellerito (President, Elim Churches Italy) and Ps. Michele Passaretti (President, Nuova Pentecoste Churches/Consulta Evangelica). It was a fruitful time of fellowship and sharing with the representatives of three PEF members in Italy.

This month, a significant event took place for the Italian Assemblies of God (ADI), the historical and largest Pentecostal movement in Italy. The Italian Senate ratified the Agreement between the State of Italy and the ADI, a movement which went through persecution between 1935-55, and today enjoys total freedom of worship, a strong presence on national media (radio & TV), and other benefits such as tax deduction for social/humanitarian ministries. The Senate session went live on national TV, a powerful testimony in a nation which is the cradle of the Roman Catholic Church. To God be the glory!
